

## MultiPay: Manage your Multiple Outbound Payments

**“By switching to FTT Global, we have saved over £100k in the last year and have found a service we can rely on.”** Jesper Sandberg, Owner and MD at STP Nordic

### The one step solution to paying multiple beneficiaries

Whether you pay one overseas invoice or hundreds per month, FTT manages, converts, tracks and delivers your funds. We save you time and money whilst providing you with absolute visibility and control every step of the way.

This one step process reduces time on reconciling payments, multiple currency accounts and high bank charges.

### Getting started

Register online in minutes and one of our customer support advisors will call you to discuss your application and currency requirements and set up relevant services to support your needs.

**Better rates, complete control, from wherever you are.**
